October 5 (Thursday) Board Meeting, 12:00,

Market St. Grill: To keep it timely, the meeting will start at 12:00 before ordering.

October 11 (Wednesday) Paint-out, 10- 3 PM,

Eastville Town Square: There are public restrooms in the County Building next to the Extension Office. For any questions, contact Marianne Francavilla: paintouts@esartleague.org

Changing of the Guard: November is the time for ESAL Elections. Offices are held for a two-year term. This November the office of President and Vice President are up for election. I encourage you to get involved with the ESAL by becoming an officer and joining the BOD to keep all the programs and activities we provide alive and current. Perhaps you will plan some new ones.

I have enjoyed my time as President of the ESAL. I plan to stay an active member of the BOD, co-chair of the Becky Rootes Memorial Art Scholarship Committee and continue to be the coordinator of the ESYCC-ESAL exhibits as well as help out with exhibits at HOS. I am looking forward to mentoring a new President and keeping our ESAL alive and vibrant. Carol Barylski

I join Carol with good wishes to the incoming elected officers. I also will be leaving at the end of my two year term in office. I wish all the members well. It is very important that new office candidates volunteer and keep things moving forward. ESAL is an important community asset and a great support to emerging and established artists on the Shore. Marge Bradach
